2nd International Holobiont Conference (Montreal) hosted an art-science ISME-sponsored event (~100 participants)

"50% human" - Ruth Schmidt

Panel discussion:
art and science

2019 Annual Conference of the Canadian Society of Microbiologists (Sherbrooke, Quebec): The "ISME-8" award was given to the best microbial ecology talk.

Five ISME-8 travel awards were given to microbial ecology graduate students in 2017 to help offset travel costs to the conference.
