Kostas Kormas

ISME supported the 8th Conference of the MikroBioKosmos Society, Athens, Greece, 18-20 Apr. 2019, with ca. 350 participants.

Information on ISME and its members' benefits was presented in the following events:

- Workshop on "How to write a scientific paper: From writing to publishing", which took place concomittantly in 5 Greek cities (Athens, Thessaloniki, Volos, Chania, Ioannina) on 31 Jan. 2020
- Teaching at three MSc courses in Greek universities
