

# Indonesia

Universitas Gadjah Mada (UGM) and University of Helsinki (UH) held **the First Indonesian Symposium on Microbial Ecology (InSME1)** on 7-8 November 2018 at Universitas Gadjah Mada, Yogyakarta, Indonesia.

Vanny Narita

Key note speaker: James M. Tiedje

Speakers include:

Prof. Marko Virta (UH)

Prof. Iwan Dwiprahasto (UGM)

Prof. Satoru Suzuki (Ehime University)

Prof. Hiroyuki Ohta (Ibaraki University)

Prof. Iswandi Anas (Institute of Agriculture Bogor)

Dr. Windi Muziasari (UH)

Supported by:

Academy of Finland, ISME, Indonesian Young Academy of Sciences, Indonesian Microbial Society (PERMI), PT AmonRa.

The 2<sup>nd</sup> InSME in 2020 was postponed due to the coronavirus epidemic. The plan of action was to formalize the establishment of InSME and engage the national Indonesian Institute of Sciences Microbial Center and the regional ASEAN Microbial Centre.
